ABOUT BURKELY

BURKELY was established in 1988 by a family-run company that celebrates over 75 years of experience in the leather industry. As a third-generation family-owned company, we are proud of our rich heritage and excellent know-how. Our expertise in leather craftsmanship has been passed down and cultivated from grandfather to son and now to grandson. For years, BURKELY was one of the few leather companies producing goods in the Netherlands; but in 1993, our founders travelled the world to find the best leather craftsmen. With a great history in leathercrafts and passionate artisans, India perfectly met our requirements.

We've bundled our joints by colliding the Indian craftsmanship with our devoted Dutch designers to create products that honour the art of leathercraft. We consider all our employees and business partners as extended family, who all significantly contribute to the success of BURKELY. We feel the need to make a difference by bringing smiles to peoples' faces. That is why we believe in building long-lasting, joyful relationships across the globe. We stay in close contact with our partners daily and visit each other frequently. We show our commitment by helping each other grow and display our involvement by supporting each other. These gestures show how our business partners are genuinely part of our family. Togetherness and inclusivity also are strong pillars of our BURKELY team. We work hard but also play hard together to achieve our goals. Without our devoted workforce committed to joining forces, BURKELY would not be what it is today.

Every day, we work with passion, devotion, and craftsmanship to create the perfect BURKELY bag: A bag of the highest quality, made from rich, sustainable materials and with just enough space for all your belongings. In other words: The perfect stylish bag that has room for everything you'll need, and that's hassle-free. In other words: we've got your bag."

At BURKELY, we see a bag as an addition to your daily life. Our designs are timeless, stylish, and in line with your pace. Whether you need a keycord to keep your keys in place or extra space for your laptop, we've got your bag to carry all your essentials with you! We produce our products with respect for nature and humane working conditions with our passionate team of designers, lifelong partners, and craftsmen. As an inclusive brand, we offer bags suitable for everyone and any occasion. With our great variety of bags with plenty of space and pockets to keep all your belongings, you can enjoy our bags worry-free and hassle-free. At BURKELY, WE'VE GOT YOUR BAG!

ANTIQUÉ AVERY

Our Antique Avery collection is an absolute BURKELY fundamental with longevity, versatility and classic charm. The high grade leather in easy-to-wear colours like cognac, black and brown, make this range great for daily use. The handles on the bags all are provided with metal rings, allowing the handles to drop elegantly. High quality metal zippers and heavy stitching give the bags a sturdy look, whereas the inside key loops will ensure you will always have quick and easy access to your keys without having to rummage through your stuff. These bags are absolute must-haves for those on the lookout for a durable bag that will just age gracefully.

ANTIQUÉ VINTAGE LEATHER

This full grain leather quality is drum dyed, giving the skin a luxurious pull-up effect. The milling process allows the natural grains to appear, whereas the waxed based dye will ensure natural hues are visible giving each bag an inimitable character. The unique look of your bag will further develop through usage. A lovely lush patina will arise over time, which will just add onto the charm. Because of its open structure, the bag is more receptive to outside influences. Collonil Carbon Wax Spray will help you to protect your bag.
